# Clean Air Account

---

- The Clean Air Account No. 151 is a General Revenue-Dedicated account created by Senate Bill 2, Seventy-second Legislature, First Called Session, 1991.
- The Clean Air Account was established to receive Clean Air Act fees which are to be used to safeguard the air resources of the state, recover the costs of permitting new or modified emission sources, and recover the costs of permit reviews and renewals.

# Clean Air Account Revenues

---

Revenues in the Clean Air Account include various fees.

- Fees relating to motor vehicles include:
  - Motor Vehicle Safety Inspection Fees, \$2 per vehicle inspection sticker
  - Motor Vehicle Emissions Inspection Fees, \$.50 per vehicle emissions inspection
  - On-Board Diagnostic Vehicle Emissions Inspection Fees, \$2 to \$6, per emissions inspections in counties participating in the Air Check Texas/Drive a Clean Machine Program.

# Clean Air Account Revenues (continued)

---

- Several fees for air permits are deposited to the Clean Air Account, including:
  - Air Permit Fees
  - Air Inspection Fees
  - Air Permit Renewal Fees
  - Air Permit Amendment Fees
  - Fuel Oil Surcharge Fees
  - Permit by Rule Fees

# Motor Vehicle Inspection Fees

---

Motor Vehicle Inspection Fees totaling \$54.4 million in 2015 include:

- \$26.7 million—On-Board Diagnostic Emissions Inspection Fee
- \$25.1 million—Motor Vehicle Safety Inspection Fee
- \$2.6 million—Motor Vehicle Emissions Inspection Fee

# Miscellaneous Clean Air Account Revenues

---

Health and Safety Code, Chapter 386, provides for a transfer of \$500,000 per year from the Texas Emissions Reduction Plan (TERP) Account No. 5071 to the Clean Air Account.

# Clean Air Account Appropriations

2012–17 (In Millions)

Agency	2012	2013	2014	2015	2016	2017
Texas Commission on Environmental Quality	\$47.5	\$53.3	\$53.7	\$55.2	\$102.1	\$93.8
Texas A&M AgriLife Research	\$0.5	\$0.5	\$0.5	\$0.5	\$0.5	\$0.5

NOTE: 2012-15 amounts are expenditures and 2016-17 amounts are appropriations. 2015 amounts are estimated.

# Uses of the Clean Air Account

---

Funds in the Clean Air Account are generally used to protect the air resources of the state. Clean Air Account appropriations to TCEQ fund various agency programs including:

- Air Permitting
- Air Inspections and Enforcement
- Air Monitoring

# Uses of the Clean Air Account (continued)

---

- Air Quality Planning, including Development of the State Implementation Plan
- The Drive a Clean Machine/Air Check Texas program, also known as the Low-Income Vehicle Repair, Retrofit, and Accelerated Vehicle Retirement Program (LIRAP).
- Vehicle Emissions Inspection and Maintenance Program.
- Agency Administration

# Balances in the Clean Air Account

---

- Clean Air Account revenues that are not appropriated remain in the fund balance of the account and can be used for certification of the General Appropriations Act.
- Based on information provided by the Comptroller of Public Accounts, it is estimated that \$246.0 million in balances in the Clean Air Account will be available to count towards certification in the 2016-17 biennium. For the 2014-15 biennium, the Comptroller used \$209.2 million in balances in the Clean Air Account towards certification.

# Texas Emissions Reduction Plan Account

---

- The Texas Emissions Reduction Plan Account No. 5071 is a General Revenue–Dedicated account established by Senate Bill 5, Seventy-seventh Legislature, 2001. The same bill established the Texas Emissions Reduction Plan (TERP) program.
- TERP is a grant program available in areas of the state that are in nonattainment or near nonattainment with federal Clean Air Act (CAA) standards.
- Grants are provided to eligible individuals, businesses, or government entities to reduce emissions from on-road vehicles, non-road commercial and industrial equipment, marine vessels, locomotives, and stationary engines.

# Texas Emissions Reduction Plan Account

---

TERP revenues include the following fees:

- Motor Vehicle Sales and Use Fee—1.0 to 2.5 percent on sale and use of on-road diesel vehicles.
- Certificate of Title Fee—\$20 per title transfer in nonattainment areas and \$15 per title transfer in all other counties (this fee is deposited to the Mobility Fund, with the TERP Account being reimbursed with an equal amount by the State Highway Fund).
- Commercial Motor Vehicle Registration Fee—10.0 percent surcharge.
- Commercial Motor Vehicle Inspection Fee—\$10 surcharge.
- Diesel Equipment Surcharge—1.5 percent on the cost of the equipment.
