

TEXAS - Estimated Funding to Respond to Coronavirus Pandemic
(Updated 2/26/21)

Coronavirus Preparedness and Response Supplemental Appropriations Act, 2020 (CPRS)

HR 6074 was signed into law on **March 6, 2020**. It provided \$8.3 Billion in emergency funding for federal agencies to respond to COVID-19. These funds are used for screening and testing needs, to acquire medical supplies and boost telehealth capacity in response to the pandemic, to provide primary care, and to report testing results.

Agency	Federal Program	U.S. TOTAL (in thousands)	Texas Allocation (in thousands) 1	Total \$ Received/ Reimbursed (in thousands)	Type of Award (Direct/Formula/Block/ Application)	Substantive Changes From Prior Reporting (2/08/21)	Purpose of Grant
DSHS	CDC Grants	\$ 871,815	\$ 58,765	\$ 55,067	Formula: Funding based on population and number of cases of COVID-19/SARS-CoV-2.	None	Funds awarded through the act were to increase screening and testing capacity, purchasing supplies such as PPE, and maintaining or increasing health center capacity. Funds were also allowed to cover payment and reimbursement costs incurred since 1/20/20, certain allowable operating costs, staff costs to maintain adequate staffing levels during pandemic, contact tracing, and rent of an approved site to perform other eligible activities. These funds are in addition to funds CDC previously awarded to select jurisdictions for COVID-19 response activities.
Texas Tech Health Science Center ²	Community Health Centers	\$ 100,000	\$ 66	\$ 550	Formula: The base value of \$50,464 is awarded to each Center plus \$0.50 per patient reported in the Center's 2018 uniform data system (UDS) plus \$2.50 per uninsured patient reported in the Center's 2018 UDS.	None	Provide support to Community Health Centers to respond to the COVID-19 pandemic by expanding COVID-19 screening and testing capacity, purchasing supplies such as PPE, providing safety education, and other services.
DSHS	Hospital Preparedness (awards to date)-state	\$ 340,000	\$ 20,807	\$ 1,076	Grants and Cooperative Agreements	None	Support hospitals and other healthcare entities to train workforces, expand telemedicine and the use of virtual healthcare, procure supplies and equipment, and coordinate effectively across regional, state and jurisdictional, and local healthcare facilities.
Total CPRS Funding		\$ 1,311,815	\$ 79,638	\$ 56,693			

TEXAS - Estimated Funding to Respond to Coronavirus Pandemic
(Updated 2/26/21)

Families First Coronavirus Response Act (FFCR)

HR 6201 was signed into law on **March 18, 2020** and provided more than \$3.5 billion in COVID-19 response efforts, including testing, food assistance, and unemployment insurance. Effective January 1, 2020 through the end of the public health emergency, the bill increases the base Federal Medical Assistance Percentage (FMAP) by 6.2 percentage points (GR savings resulting from this are not reflected in amounts included in this document) and requires coverage of COVID-19 testing by CHIP, Medicaid, Medicare and private insurers with no cost sharing. It also provides \$1 billion under the Public Health and Social Services Emergency Fund to reimburse providers who test the uninsured for COVID-19 on or after February 4, 2020 at Medicare rates and allows for flexibilities and emergency allotments under the Supplemental Nutrition Assistance Program (SNAP), as well as the Pandemic Electronic Benefit Transfer (PEBT) program.

Agency	Federal Program	U.S. TOTAL (in thousands)	Texas Allocation (in thousands) 1	Total \$ Received/ Reimbursed (in thousands)	Type of Award (Direct/Formula/Block/ Application)	Substantive Changes From Prior Reporting (2/08/21)	Purpose of Grant
TWC	Unemployment Insurance Base	\$ 500,000	\$ 44,144	\$ 44,144	Formula	None	Funds can only be used for administration of the state's unemployment compensation law, including by taking such steps as may be necessary to ensure adequate resources in periods of high demand.
TWC	Unemployment Insurance Supplemental	\$ 500,000	\$ 44,144	\$ 44,144	Formula	None	Funds can only be used for administration of the state's unemployment compensation law, including by taking such steps as may be necessary to ensure adequate resources in periods of high demand. The supplemental distribution triggers after a state's unemployment rate was increased by at least 10 percent over the same quarter in the previous calendar year.
HHSC	Supplemental Nutrition Program for Women, Infants, and Children (WIC)	\$ 500,000	\$ 39,003	\$ -	Formula	None	This is a supplemental award; HHSC has not reported receiving funds as of January 2021.
HHSC	Congregate and Home-Delivered Meals	\$ 240,000	\$ 16,206	\$ 25,703	Formula: Based on State Plan and Area Plan Administration, cumulative total of all Title III grants plus FFCRA and CARES award	None	Funding used for nutrition services under the Older Americans Act.
TDA	Emergency Food Assistance Program Administration	\$ 400,000	\$ 35,927	\$ 15,815	Formula	None	This is a pass thru award to contracted Food Banks. Award based on statement of intent.
Total FFCR Act Funding		\$ 2,140,000	\$ 179,424	\$ 129,806			

TEXAS - Estimated Funding to Respond to Coronavirus Pandemic
(Updated 2/26/21)

Coronavirus Aid, Relief, and Economic Security Act (CARES)

HR 748 was signed into law on **March 27, 2020** and provided loan guarantees for impacted businesses, direct cash payments for individuals, and additional testing and vaccine resources. The Act totals \$2 trillion in stimulus measures which includes \$150 billion for the Coronavirus Relief Fund which provides funding to state and local government, including \$10.7 billion for Texas; \$100 billion to the Provider Relief Fund, including \$5.3 billion to Texas providers; \$34.0 billion in transportation funds, including \$1.2 billion for Texas; \$13.9 billion for the Higher Education Emergency Relief Fund (HEERF) with \$879.2 million for Texas; \$13.4 billion in Elementary and Secondary School Emergency Relief (ESSER) Fund, with \$1.3 billion for Texas; and \$9.5 billion in Federal Emergency Management Agency (FEMA) Public Assistance Funds with \$2.3 billion for Texas.

Agency	Federal Program	U.S. TOTAL (in thousands)	Texas Allocation (in thousands) 1	Total \$ Received/ Reimbursed (in thousands)	Type of Award (Direct/Formula/Block/ Application)	Substantive Changes From Prior Reporting (2/08/21)	Purpose of Grant
Comm on the Arts	National Endowment for the Arts	\$ 30,000	\$ 669	\$ 669	Formula: Based on population figures from the Bureau of the Census.	None	Funds were split among current Arts Create – Operational Support, Arts Respond Project, and Cultural District Project recipients via amendments to their current grants (one amendment per organization). The split is for 500 Texas arts organizations.
OOG	Justice Assistance Grants - State	\$ 563,072	\$ 41,976	\$ 41,976	Formula: Allocations were calculated by proportionally increasing the allocations available under the FY 2019 Justice Assistance Grants program.	None	To provide resources for COVID-19 overtime, equipment (including law enforcement and medical personal protective equipment), hiring, supplies (such as gloves, masks, sanitizer), training, travel expenses, and addressing the medical needs of inmates in state, local, and tribal prisons, jails, and detention centers.
OOG	Governor's Emergency Education Relief (GEER) Fund	\$ 2,983,980	\$ 307,026	\$ 307,026	Formula: (1) 60% on the basis of the State's relative population of individuals aged 5 through 24. (2) 40% on the basis of the State's relative number of children counted under section 1124(c) of the Elementary and Secondary Education Act of 1965 (ESEA).	None	Governor may provide subgrants to LEAs and IHEs that have been "most significantly impacted by coronavirus" to support their ability to continue providing educational services to their students and to support the "on-going functionality" of these entities. Funds can be allocated through a subgrant or contract to other LEAs, IHEs, and education-related entities the Governor "deems essential" for carrying out emergency educational services, providing child care and early childhood education, providing social and emotional support, and protecting education related jobs.
OOG	Coronavirus Relief Fund	\$ 150,000,000	\$ 8,038,314	\$ 8,038,314	Formula: Based on population with no state receiving less than \$1.25 billion	None	Eligible expenditures include medical expenses, public health expenses, payroll expenses, expenses to facilitate compliance with COVID-19-related public health measures, economic support activities, and any other reasonable COVID-19-related expenses. Funds cannot supplant the most recently approved state budget as of March 27, 2020 and cannot be used to replace lost revenue.

TEXAS - Estimated Funding to Respond to Coronavirus Pandemic
(Updated 2/26/21)

Coronavirus Aid, Relief, and Economic Security Act (CARES) (Continued)

Agency	Federal Program	U.S. TOTAL (in thousands)	Texas Allocation (in thousands) 1	Total \$ Received/ Reimbursed (in thousands)	Type of Award (Direct/Formula/Block/ Application)	Substantive Changes From Prior Reporting (2/08/21)	Purpose of Grant
SOS	Election Security	\$ 400,000	\$ 24,547	\$ 24,547	Formula: Distribution is determined from the Help America Vote Act which takes into account the voting age of each state.	None	To be allowable under a grant, costs must be necessary, reasonable and allocable to the grant. Expenditures related to the protection of the health and safety of poll workers, staff, and voters during federal elections as well as those resulting from unanticipated increased demand for vote by mail costs (e.g. printing ballots, postage, etc.), equipment, temporary staff, and similar costs due to COVID-19 would satisfy these elements.
TSLAC	Institute of Museum and Library Services	\$ 30,000	\$ 2,620	\$ 2,620	Formula: Distribution is based on population of the state.	None	Funds can be used to expand digital network access, purchase internet accessible devices, and provide technical support services to citizens to address digital inclusion efforts and related technical support.
DSHS	CDC Grants	\$ 1,140,633	\$ 74,150	\$ 551,046	Formula: Funding based on population and number of cases of COVID-19/SARS-CoV-2.	None	Funds awarded through the act were to increase screening and testing capacity, purchasing supplies such as PPE, and maintaining or increasing health center capacity.
DSHS	State Capacity Building	\$ 1,340	\$ 103	\$ 103	Formula	None	The Agency for Toxic Substances and Disease Registry's (ATSDR's) Partnership to Promote Local Efforts to Reduce Environmental Exposure (APPLETREE) program provides grants to build community capacity to assess and respond to site-specific issues involving human exposure to hazardous substances in the environment.
DFPS	Child Welfare Services	\$ 45,000	\$ 4,691	\$ 2,581	Formula: Grants awarded according to statutory formula; supplemental funding.	None	To support the child welfare needs of families during this crisis and to help keep families together.
HHSC	Family Caregivers	\$ 100,000	\$ 6,432	\$ 1,301	Formula: Based on State Plan and Area Plan Administration, cumulative total of all Title III grants plus CARES award	None	To better support family caregivers during COVID-19.
HHSC	Protection of Vulnerable Older Americans	\$ 20,000	\$ 1,350	\$ 204	Formula: ACL distributes CARES Act funds to States as required by the population-based formula prescribed in the Older Americans Act.	None	To investigate and resolve complaints made by or on behalf of residents of nursing homes or other long-term care facilities during COVID-19
